Re: Update regarding Spring Softball and COVID-19

**WE HAVE BEEN APPROVED TO PLAY!**

The State Department of Business and Industry has approved our application for our Softball leagues this Spring.

We will begin registration in person or online on February 11<sup>th</sup> and run through March 13<sup>th</sup>. There will not be a late registration period so you must get it completed by March 13<sup>th</sup>. We will tentatively begin league play on April 5<sup>th</sup>.

If you decide to register online the documents will be attached to the registration. These documents will still be needed to be turned in to receive balls and schedules. After you have completed your registration online you can call the office at 353-2385 to set up your practices.

To register online you will need to set up your account prior to registration at [www.sparksrec.com](http://www.sparksrec.com) . If you need assistance in creating your account or registration, please call our office at 353-2385.

In regards to COVID-19, we will continue to have restrictions depending upon the current status of our state and county in regards to entrance/exit, temperature checks, crowd size, face masks, and social distancing. We may also need to make some adjustments to game times to be able to proceed with our leagues based on the requirements of the state. We will inform you of these when you pick up schedules so that we have the most updated information before we begin the league. On a positive note, players will not be required to wear a face mask while playing on the fields.

If you have any additional questions, please send an email to [sportsinfo@cityofsparks.us](mailto:sportsinfo@cityofsparks.us)

Thank you for being a part of the City of Sparks adult softball program and we look forward to seeing your teams on the fields.
