

## **2019 FALL ADULT KICKBALL LEAGUE**

**Wanna feel like a kid again?** Kickball...yes, just like you played in 5<sup>th</sup> grade. We encourage rivalries, cheering, and general fun; but if you are an individual looking for an extremely competitive sport, our leagues may not be for you. Remember, it's just kickball. The idea behind kickball – past and present – is to have fun first, win second. Win or lose, what's better than being out there having fun with friends? Teams consist of 10 players on the field but everyone can be in the line up to kick and are open to both men and women. So come give it a try, it will be a kick. Standings are kept but we don't award first place, instead everybody gets a T-shirt for participating.
